The writ petition is filed mainly with the following prayer :-

> "Issue a writ of mandamus or other appropriate writ order or direction commanding the respondents to disburse the balance P.F. amount of Rs.40,357/- with interest till the date of payment along with interest for Rs.1,85,390/- from 4/2002 to 12/2002, amounts due under Group Insurance and Family Benefit Schemes, leave salary for the terminal surrender of earned leave and the medical claims covered by Ext.P7 forthwith."

It is seen from the counter affidavit filed by the second respondent that steps were being taken to settle the grievances of the petitioner. In the above circumstances, the writ petition is disposed of directing the respondents to settle and disburse the benefits due to the petitioner with eligible interest, if not already disbursed, within three months from the date of production of a copy of the judgment.
